<sup>1</sup> The Group has selected an Out-of-Network Reimbursement Amount for out-of-network benefits at the 80th percentile amount reported by the FAIR Health Benchmarks database published by FAIR Health, Inc. (when applicable). We will pay the lesser of: the UCR Fee Schedule, the amount charged, or the amount the provider agrees to accept. This applies to all out-of-network Covered Services except for those noted below:

The following out-of-network services, supplies and drugs are reimbursed at the lesser of: the specified percentage of the published rates allowed by the Centers for Medicare and Medicaid Services (CMS) for Medicare reimbursement, the amount charged, or the amount the provider agrees to accept:

• Inpatient & Outpatient Hospital	140%
• Free-Standing Ambulatory Surgical Centers	140%
• Free-Standing Radiology Services	140%
• Free-Standing Lab Services	50%
• Durable Medical Equipment	45%

"Free Standing" means the services were provided in a facility that is dedicated to providing that particular service (e.g., imaging centers, labs that are not part of a hospital and are where hospitals and other providers send specimens for analysis).
